**INFORMATION DISCLOSURE STATEMENT**

Sir:

Further to discussions with Examiner Jarrett today, in accordance with 37 C.F.R. §§ 1.56, 1.97, and 1.98, Applicant respectfully requests consideration of the references listed on the attached Form PTO-1449. Applicant respectfully requests that the Examiner consider the references cited on the PTO-1449 and that the Examiner indicate that the references have been considered in this application by returning a copy of the Form PTO-1449 with the Examiner's initials in the left column per MPEP 609.

This Information Disclosure Statement (IDS) cites two references that were previously cited in prior IDSs in the present application, but that are not shown as considered in the record. Specifically, U.S. Patent 6,442,567 was cited in an IDS filed on May 12, 2003. Further, the Marchman document was cited in an IDS filed on November 16, 2005 (Cite number 479). Applicant notes that such Marchman document is similar in content to the Marchman document cited on the PTO-892 (Item "U" on page 1 of 2) provided with the July 6, 2005 Office Action.

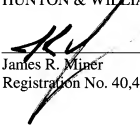

As discussed with Examiner Jarrett, these two references are being submitted with the present PTO-1449 such that the Examiner may show consideration of such on the record.

This IDS is filed after the Notice of Allowance mailed August 10, 2007. However, since such art was previously cited in this application as discussed with Examiner Jarrett, no fees are believed due. However, if any fees are incurred upon the filing of this Information Disclosure Statement, the Commissioner is hereby authorized to charge the undersigned's Deposit Account No. 50-0206.

Respectfully submitted,
